

Organic Cow Milk from Daurau Farms, Delhi

Daurau Farms, a family-owned dairy located in the outskirts of Delhi, is committed to providing the highest quality organic cow milk. Sourced from their sustainable, eco-friendly farm, their milk offers a unique blend of rich flavor, exceptional nutrition, and ethical production practices.

About Daurau Farms: Sustainable, Family-Owned Dairy

Daurau Farms has been in operation for three generations, upholding a tradition of sustainable and responsible dairy farming. Their cattle are raised in a stress-free, humane environment, and are fed a diet of organic grains and grasses free of synthetic pesticides and hormones. This dedication to ethical practices ensures their milk is not only delicious, but also good for the environment and the well-being of the animals.

Our Commitment to Organic Farming Practices

At Daurau Farms, organic farming is more than just a label - it's a way of life. Their land is meticulously maintained using natural fertilizers and pest management techniques, without the use of any harmful chemicals. This not only preserves the soil's fertility but also ensures the purity and safety of their milk. Daurau Farms is proud to be at the forefront of the organic movement, leading the way in sustainable dairy production.

The Benefits of Organic Cow Milk

- Higher levels of beneficial nutrients like omega-3 fatty acids, antioxidants, and vitamins
- Absence of antibiotics, hormones, and other synthetic additives
- Improved animal welfare and reduced environmental impact
- Richer, more authentic flavor profile
