

SHELVING AND RACKING SOLUTIONS | RACKING & SHELVING COMPANY IN DUBAI – STOFIX TS

Looking for dependable **shelving and racking** providers in Dubai? At STOFIX TS, we specialize in comprehensive racking and shelving systems that optimize space, enhance organization, and support heavy loads. As a premier **Racking and Shelving Dubai**

Custom Pallet Racking Systems

We design and install heavy-duty pallet racking to maximize vertical storage while maintaining aisle access.

Industrial & Light-Load Shelving

From heavy steel to modular wire shelves, we cover industrial, commercial, and retail shelving needs.

Mezzanine & Multi-Tier Racking

Use vertical height by adding mezzanine floors integrated with shelving to increase usable space.

Seismic & Safety-Compliant Solutions

Our racking and shelving systems follow UAE safety standards, include bracing, and accommodate load calculations for structural integrity.

At STOFIX TS, our mission is to provide the most reliable, efficient, and scalable **racking and shelving** Dubai systems. Whether you're a warehouse, retail store, or industrial facility, count on us as your top **Racking & Shelving Company in Dubai**.
