# About us

VKP Medical, led by Dr. Vikas Pilly, MD, offers safe, non-invasive, and drug-free pain management and pain relief in Western New York and Canada. Dr. Pilly is double board certified in pain management and physical medicine and rehabilitation. His expertise provides immediate relief for back pain, neck pain, joint pain, vehicle accident injuries, neuropathic pain, and workplace injuries. Experience our effective treatments, including Spinal Decompression, a cutting-edge therapy for chronic back and neck pain. We focus on restoring your mobility and improving your quality of life without surgery or drugs. For your convenience, we accept most major insurance plans, as well as direct cash payments at our clinic.
