

Supply chain capital is easy with Frame Factoring & Reverse Factoring.

The graphic features a dark blue background on the left with the 'LOAN FRAME' logo at the top, which includes the tagline 'Fast Business Credit'. Below the logo, the text reads 'Supply Chain Finance participation you can measure & scale'. A sub-headline states: 'We co-design the program, drive supplier/ dealer onboarding, and run the day-to-day follow-ups so adoption grows steadily, and stays that way.' At the bottom of this section is a light blue button with the text 'Improve adoption'. On the right side of the graphic is a photograph of a man in a white hard hat and a high-visibility orange safety vest over a grey shirt, standing in an industrial setting.

LOAN FRAME
Fast Business Credit

Supply Chain Finance participation you can measure & scale

We co-design the program, drive supplier/ dealer onboarding, and run the day-to-day follow-ups so adoption grows steadily, and stays that way.

Improve adoption

Reliability is the foundation of every successful supply chain. We provide Fast & Easy Working Capital For Your Dealers, Distributors, Suppliers, Vendors Via Top Indian Banks & NBFCs On Loan Frame's Supply Chain Finance Marketplace. By choosing **Frame Factoring & Reverse Factoring**, you are investing in the stability of your partners. Our platform connects you with leading NBFCs and banks, ensuring a steady stream of liquidity. This financial cushion allows your distributors to navigate seasonal slumps and your suppliers to handle bulk orders with ease. Build a more resilient business model that thrives on mutual growth and financial transparency with our expert help.
