

Where Craftsmanship Meets Elegance

Fab Bath Interiors — Jamnagar's trusted manufacturer of premium bathroom accessories, delivering precision-engineered fittings for homes and projects across India.

JAMNAGAR, GUJARAT

MANUFACTURER & SUPPLIER

Made with **GAMMA**

Our Product Range

From faucets to towel rails, every piece is crafted for durability, style, and seamless function.

Shower Systems

Rain showers, hand showers, and complete overhead kits with anti-clog nozzles.

Faucets & Taps

Basin, wall, and mixer taps in chrome, matte black, and brushed nickel finishes.

Bath Accessories

Towel rails, soap holders, robe hooks, and shelf sets in coordinated finishes.

Health Faucets

Hygienic bidet sprays and flush valves for modern Indian bathrooms.

Built to Last, Designed to Impress

Every Fab Bath product undergoes rigorous quality checks – from raw material selection to final polish – ensuring you receive fittings that perform beautifully for years.

Premium Materials

High-grade brass and stainless steel with corrosion-resistant plating.

Multi-Layer Finish

Triple-layer chrome plating tested for 500+ hours of salt spray resistance.

Custom Finishes

Available in chrome, gold, matte black, brushed nickel, and more.
