

Senior Assisted Living in
Noida

Dua Old Age Caring Institution

Professional, compassionate care for your loved ones — combining medical expertise with the comfort of home.

From "Last Resort" to Planned, Professional Care

Assisted living is no longer a compromise — it's a considered choice for safe, dignified living when round-the-clock home care isn't feasible.

Assisted Living

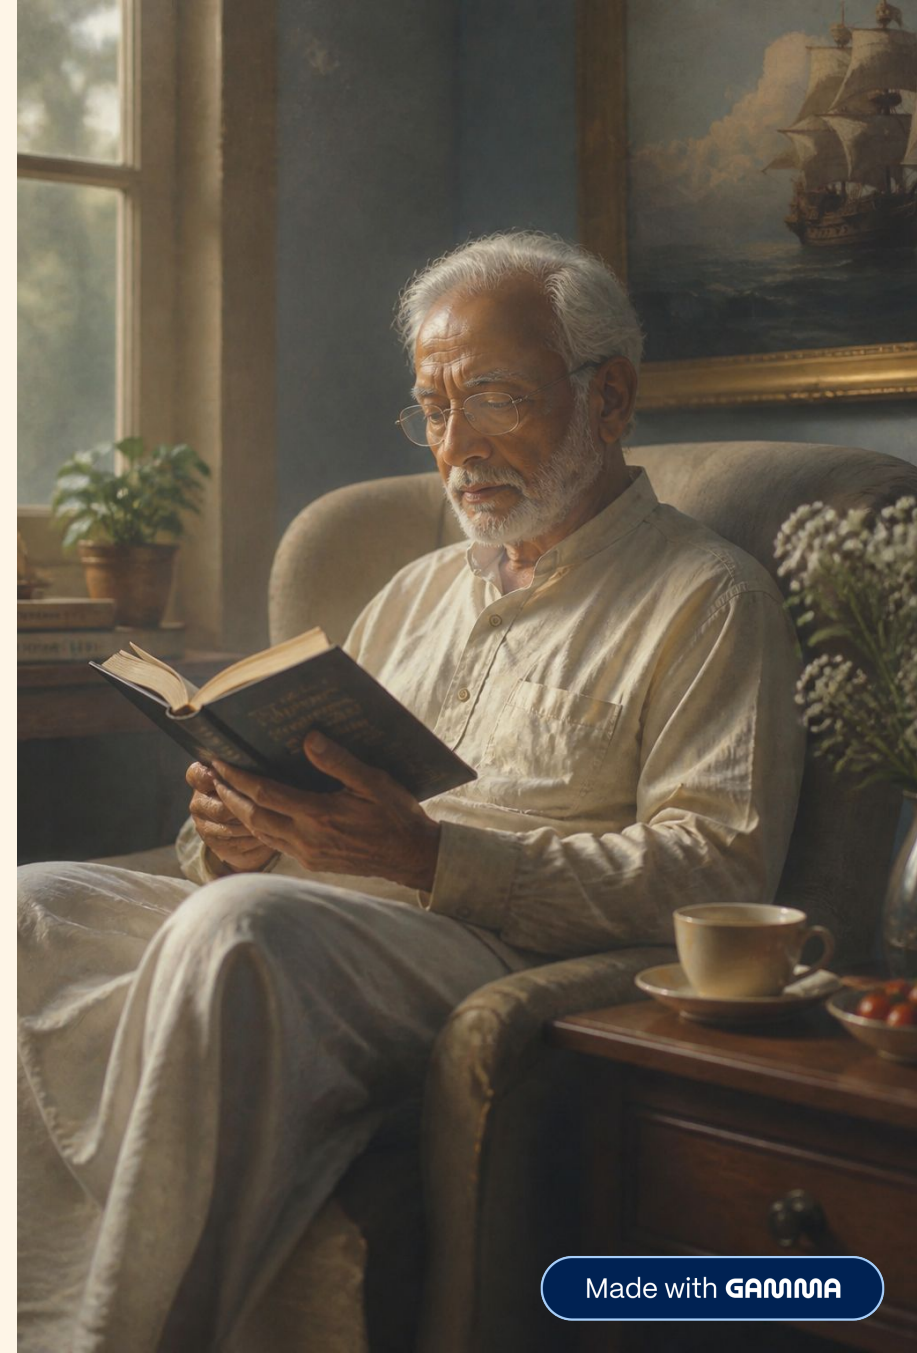

Support with daily tasks while residents retain independence and personal dignity.

Specialised Care

Dedicated support for dementia, Parkinson's, paralysis, and post-surgical recovery.

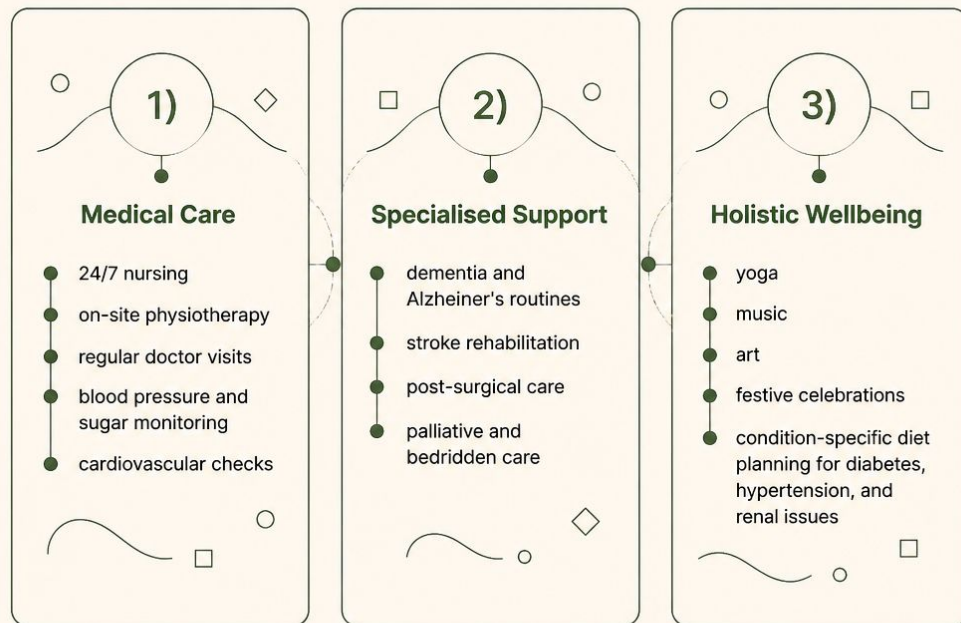

Dua's Promise

A professionally staffed, paid facility combining comfort with medical depth as needs evolve.

Medical Depth + Daily Support

Dua's model blends clinical expertise with genuine human warmth — because recovery and wellbeing require both.

The Human + Clinical Model

Structured social and recreational programmes run alongside personalised medical care — ensuring every resident is treated as a whole person, not just a patient.

- On-site physiotherapy & regular doctor visits
- Tailored diet plans for chronic conditions
- Yoga, music, art & festive celebrations
